

Monthly Member Meeting

June 25, 2019

6:00 p.m.—8:00 p.m.

CTARR Legislative Night

The Connecticut Alliance for Recovery Residences (CTARR) invites all members of the community to an open roundtable with local legislators, stakeholders, and leaders in the field of recovery to discuss ongoing legislation involving addiction, treatment and recovery within Connecticut.

This is an excellent opportunity to promote and educate community members, law makers and elected officials about the importance of CTARR and recovery residences as a whole.

Please feel free to invite your local lawmakers and elected officials.

Join us for Dinner, Networking, our Monthly CTARR
